

THE THAI

RESTAURANT & BAR

Wenatchee, Washington

Welcome, Sawadee!

Here at The Thai we have proudly been serving authentic Bangkok-style Thai cuisine in the Wenatchee Valley since 1991. Our restaurant is family-owned and operated and as such we welcome you and your family to enjoy your dining experience with us.

The cuisine of Bangkok has been influenced by Teochew and Portuguese cuisines in the past and today combines a wide range of dishes from those traditionally reserved for the royal court to more modest meals which sustain the nearly nine million people who call Thailand's capital home.

Along with some Thai classics, our menu features a handful of original and unique dishes created and perfected over the years by our mom, Suwanna. Now, Chef Top and his energetic team are proud to be able to craft some fresh, new dishes as well as the beloved classics for you.

Since the day we opened, we have strived for quality and consistency and we have lived by the same mantra for nearly 30 years. Our freshly prepared dishes are made with care and are developed from quality ingredients imported from Thailand along with hand cut meat and produce sourced locally when possible. Many of our dishes can be cooked to suit a variety of dietary needs including vegetarian, vegan, and gluten-free diets. Whether you like it spicy hot or not, you are bound to find a favorite.

We hope you enjoy your meal as much as we will enjoy serving you.

Deliciously yours,

The Rojanasthien Family
